FIND WOMEN OF CHILD BEARING AGE (15-49 YEARS) AND READ THE FOLLOWING GREETING/INTRODUCTION:	
<p>Hello my name is _____ and I am working with the African Population and Health Research Center. We are conducting a survey that asks women about various issues regarding health seeking behavior and access to skilled birth attendance. We would very much appreciate your participation in this survey. This information obtained from this study will lead to new knowledge that is helpful in informing the government and healthcare providers on culturally sensitive services that can increase maternal and new born health care utilization. Your participation is voluntary, and if you choose not to participate, you will not be treated with prejudice. Please note that if at any point you feel uncomfortable, you can stop the interview at any time if you do not want to continue. If you feel there is a question you do not want to answer, just let me know and I will go on to the next question. Your answers to the questions asked will be completely confidential and will be used for research purposes only. We hope that you will participate in this survey since your views are important. The interview will take between 30-45 minutes. I will also be asking you questions on your socio-demographics, medical history, reproductive history and other health behaviours.</p> <p>Salan/ Is barasho Salams, magacayga _____ aniga waxaan lashaqeyaa xarunta dadweynah Africa iyo cilmi barista cafimadka.
