**CERTIFICATE OF APPROVAL OF RESEARCH PROTOCOL
GLUK Research Ethics Committee (GREC)
Ref: No. GREC/014/252/2016**

Date of Notification Monday, September 19, 2016

Title: **REVERSING THE STALL IN FERTILITY DECLINE IN
WESTERN KENYA: INVESTIGATING FAMILY PLANNING
RELATED MYTHS AND MISCONCEPTIONS**

Principal Investigator: Chimaraoke Izugbara, Ph.D

Approval Date: Wednesday, March 16, 2017

Approval Expiration Date: September, 2016

Type of Review: Half Board Expedited

This is to inform you that your application for review and approval to conduct new interviews on emerging research questions on the above mentioned subject. On this note, the review has been analyzed and approved on the basis of its compliance with scientific validity, justification, relevance of purpose and assurance on the necessary ethical considerations and conditions required of a standard norm.

We wish you all the best in the study process. It is procedural that you find the courtesy to inform this Committee of any adjustment whatsoever in the Protocol prior to the commencement or during the investigations.

Always quote the GREC reference in future correspondence.

Sincerely,

Dr. Jane Mumma
CHAIR - GREC
