**1.7 INTRODUCTION AND CONSENT**

Good morning/afternoon/evening sir/madam. My name is (NAME OF FIELD INTERVIEWER). I work with the African Population and Health Research Center (APHRC) which carries out research on Health, Urbanization, Well being and Education. The APHRC works in various parts of the country. This time round, we are conducting our survey in selected sites in Mombasa, Nairobi, Nyeri, Nakuru, Kisumu and Eldoret. Under the Education theme, we visit primary schools once in a while to collect data on school infrastructure, enrolment, staffing and management. We would like data on school characteristics, infrastructure, enrolment, staffing and management. The results of these research will be made public and disseminated in the community and at national level involving the Ministry of Education in order to inform the policy process.

The responses you give will be held with utmost confidentiality and will only be available to members of the research team. Your responses will not cause any disadvantage to you or your school. If you accept to participate in this research, you will be doing so professionally and voluntarily and there will not be any monetary returns. Any benefits of the research will be to the larger community and its institutions which include schools. You are free to ask questions as we proceed. You are also free to refuse to respond to questions you do not feel comfortable answering. This interview will take about 60 minutes.

- 1.8 Would you like your school to participate in this research? 1=YES; 2=NO; [ ]
