

African Population and
Health Research Center

Transforming lives in Africa through research

Our 25 Year Journey

2001

Became an autonomous regional institute based in Kenya following its establishment in 1995 as a fellowship program to nurture African research leadership.

2008

Established the Consortium for Advanced Research Training in Africa (CARTA), a flagship program, to support the development of a vibrant African academy that leads world-class multidisciplinary research.

2011

**APHRC launched its
Campus in Kitisuru,
Nairobi.**

2015

APHRC won the prestigious United Nations Population Award to honor institutions making outstanding contributions to increasing the awareness of population issues.

2016

Ranked top African think tank for domestic health policy by The Think Tanks and Civil Societies Program of the Lauder Institute at the University of Pennsylvania.

2019

Worked with the Kenya Ministry of Health (Kenya) and PATH to inaugurate the second human milk bank in sub-Saharan Africa at Pumwani maternity hospital, Nairobi.

2019

Launched the West Africa Regional Office in Dakar, Senegal, its second physical office in Africa.

2019

Launched a training facility, the Ulwazi Place in Nairobi, Kenya.

2022

**Won the Champions
of Governance
NGO/Humanitarian
Sector Award for
demonstration of
high standards of
governance.**

2022

**Won the Global Healthy
Workplace Award,
becoming the first
African winner in any
category during the ten
years of the prestigious
award program.**

2025

Expanded Pan-African Reach

Increased country reach to over 40 across sub-Saharan Africa, leveraging virtual platforms such as the Good Financial Grant Practice (GFGP) Virtual Academy and Afrique Research Hub (ARSH).
